Hey there, Marketing Maestros! Ready to join a vibrant IT-Recruiting startup and take our visibility to stellar heights? We're scouting for a Marketing Strategist, not just any, but one who can weave magic with strategies and bring our brand to the limelight!

Your Mission: Should You Choose to Accept It

Play the vital role of marketing matchmaker, creating dual strategies for both our freelancer network and our esteemed clients.

Deep-dive into market research, crafting personas, and customized product catalogs.

Launch and lead campaigns that aren't just campaigns - they're revolutions!

Embrace a full-time commitment (part-time transition possible during your notice period).

Champion direct marketing with a personal touch - think hyper-customized emails, not your average spam!

Foster genuine relationships with clients, freelancers, and external partners.

Tap into your LinkedIn and M365 prowess to supercharge our presence and process.

Master the art of resourcefulness, staying ahead of the curve with the latest marketing trends and AI tools.

Your Superpowers:

Proven track record in strategic marketing roles.

Hands-on experience with LinkedIn Marketing and Sales Navigator.

Deep understanding of M365 tools beyond the basics.

Exceptional communication skills - let those emails and calls resonate!

AI savvy? That's a big plus in our books!

Budget management and analytical skills to turn insights into action.

If you've dazzled in a similar role and are ready to embark on this adventure, we can't wait to see your magic!

Ready to join our constellation of stars?

Drop us your application, and let's create marketing that's not just seen, but felt across the cosmos!
