

Print Graphic Designer

[Apply Now](#)

Company: Custom Box Agency

Location: Venezuela

Category: computer-and-mathematical

Custom Box Agency is hiring a Print Graphic Designer.

The Role

The Graphic Designer will be responsible for understanding the customer's vision and designing something tangible. These designs will include print and box designs, layouts, workbooks, swag, and brochures design. These design pieces will also remain on the predetermined budget. The primary role of the Graphic Designer is to satisfy the client with beautiful designs that are on-brand to the image they are requesting. Be prepared to share samples of your work.

Your Responsibilities will include:

Knowledge in product design, editorial design, and packaging design

Good management of print design, layouts, workbook, swag, and brochures design

Creating mock-ups and color palettes

Proficient in creating images that can support the product or brand

Understanding the customer's needs

Ideal Profile

Skills Required:

You must have 1 to 2 years experience in similar positions as a graphic designer and ideally for packaging companies and an understanding of how to work within brand

guidelines

You have expertise using Photoshop, Illustrator, InDesign, and all Adobe Creative Cloud products

You have good communication skills and the ability to convey design concepts to different team members

You are a fast learner and driven to provide quality results

You have an understanding of current trends within graphics, images, colors, and logo

You are amenable to working hours from Monday to Friday from 9:00 am to 6:00 pm

You have specific experience working with swag-type products, 4-color printing, package design, or box production experience is preferred

You are self-motivated to go above and beyond to provide an amazing client experience and be a trusted subject matter expert for our internal team

You must seamlessly be able to handle multiple clients and projects simultaneously

You must have the ability to manage client projects end to end without losing sight of the overall goals or the smallest of details

You thrive working as part of a highly collaborative and fast-moving team where everyone pitches in and yet are confident in being able to be a leader in their area of expertise

You follow established best practices with acute attention to detail but not afraid to suggest new ideas and seeks out new innovative solutions

What's on Offer?

Great work culture

Opportunity within company with a solid track record of success

A chance to accelerate your career
